Board of Trustees October 22, 2019 Meeting

Subject: Temporary Use at Western Equipment & Truck Property

Presenter: Christian Morgan, Town Manager
Barb Brunk, Town Planner

Background:

In 2011 the Board of Trustees granted a Temporary Use Permit for JOMAX Industries to operate out of two temporary offices and a temporary welder shop (lean-to) on five acres on the southeast corner of the Western Equipment and Truck property which is southeast of the intersection of Weld County Road 47 and Highway 34. They anticipated that operations would be completed by June 2012. The Temporary Use was granted with an expiration date of October 31, 2013. In 2016 the board recognized the existing Temporary Use and extended the permit to October 31, 2019.

Earlier this year Staff followed up on some specific zoning violations on the property including a lack of building permits for the existing construction trailer on the site. Jomax followed up and obtained the requested building permits and has been working to remove materials from the drainage and open space outlots as requested by Staff. The existing Temporary Use Permit will expire on October 31, 2019. Jomax has requested a 90 day extension to determine if they are going to construct a permanent location in Kersey or relocate to another site.

Zoning

This property is zoned P.U.D. and allows for light industrial uses. The proposed temporary offices and welding shed are consistent with this zoning. Outdoor storage of materials and equipment is limited as an accessory use on Lot 5 and specifically allowed as storage associated with one of the other uses within the PUD on Lot 6.

Employees and hours of operation

Per the original request, approximately ten employees were anticipated on the site. Employees arrive on the site, park and travel to off-site workplaces each day. San-o-lets are located on the site for toilet and hand washing. Water is also be available in the office trailers. Waste will be disposed of by Northern Colorado Disposal.

The site operates seven days a week from 6:00 a.m. to 6:00 p.m. There is pole lighting on the site that is left on for after-hours security.

Traffic

Employees for the work site will enter and leave through the entrance on Weld County Road 47 where it is cemented. JOMAX anticipated that there would be 25 vehicle trips entering and leaving the site daily and approximately eight vehicles parked at the site. Current operations exceed this estimate.

Recommended Action: Planning Staff recommends that the Board of Trustees conditionally extend this temporary use for 90 days and require the Applicant to enter into an agreement with specific provisions for a daily temporary use fee for each day after January 31, 2020 that they operate on the site. This fee could be placed in abeyance if the applicant secures a contract to purchase the adjacent property and submits a site plan application for a permanent facility associated with the ongoing activity on Lots 5 and 6.

Temporary Use Agreement

THIS AGREEMENT, made and entered into this _____ day of _____, 2019, between The Town of Kersey, a municipal corporation, 332 Third Street, Kersey, Colorado 80644, by its Board of Trustees, hereinafter referred to as the "Town" Jomax Construction Co., Inc 238 SE 10 Avenue, PO Box 701, Great Bend , Kansas 67530 Applicant, hereinafter referred to as "Applicant"

WHEREAS, Applicant has submitted a request to extend their Temporary Use Permit, and

WHEREAS, the parties desire to set forth their Agreement.

NOW THEREFORE, IN CONSIDERATION OF THE FOREGOING RECITALS AND THE ACCEPTANCE AND APPROVAL TO EXTEND THE EXISTING TEMPORARY USE PERMIT AND THE MUTUAL COVENANTS AND PROMISES CONTAINED HEREIN, THE RECEIPT AND SUFFICIENCY OF WHICH ARE HEREBY ACKNOWLEDGED, THE TOWN AND APPLICANT AGREE AS FOLLOWS:

1. **Purpose.** This purpose of this Agreement is to set forth the duties of the respective parties regarding approval of and implementation of the of the extension of Temporary Use Permit and conditions approved by the Town of Kersey Board of Trustees for a parcel of property leased by the Applicant located in the North Half of the Northwest Quarter of Section 24, Township 5 North, Range 65 West of the 6th P.M., Town of Kersey, Weld County, Colorado: also known as Lot 5 and 6 of the Highway 34 Transportation Center Replat.

2. **Conditions.** The Applicant will continue to operate the Temporary Use as follows:

2.1 The Board of Trustees hereby authorizes the continued use of the property as a pipe yard for an additional period of time not to extend beyond January 31, 2020 from this 22th day of October 2019.

2.2 **Storage of Equipment Lots 5 and 6.** Lots 5 and 6 shall be operated in a manner that provides for an orderly site with equipment and large vehicles parked in a designated area and in organized rows. Motor vehicles shall be parked in a designated area and in organized rows. Portable toilet facilities, if any, shall be maintained in a clean and sanitary condition. The area shall be kept weed free and dust control applications shall be used to prevent fugitive dust. Where appropriate, the yard, or portions thereof, shall be fenced to assist in the organization and storage of equipment and supplies. Trash and debris shall be stored and collected at appropriate times and trash shall not be allowed to blow onto neighboring properties. The screening in the form of an approved privacy fence or berm that was previously required along the property parallel to Hwy 34 and the fence or berm must be maintenance to the Town's reasonable satisfaction.

2.3 The town may make inspections of the Property to assess compliance with the approval conditions and this Agreement

2.4 The Temporary Use extension authorized by this Agreement and the appropriate waivers from the Land Use Code Requirements shall be for a period of three 90 days. The 90 day period shall begin on October 31, 2019, and end on January 31, 2020. The Applicant may continue use of the property for the purposes described in hereof. If the Applicant desires to continue use beyond the three 90 day period, Applicant shall, 30 days prior to the end of the term, make application for an extension of the Temporary Use and such extension will only be granted in the sound discretion of the Board of Trustees of the Town of Kersey. Failure to request an extension shall cause the Use to be terminated as set forth in this Agreement.

2.5 Applicant shall clarify that there are no residential structures or residential use allowed as part of this Agreement. The structures allowed shall be for commercial, storage, office, and other uses as described above

2.6 Trash and junk shall not be allowed to accumulate or to be scattered around the premises or to be blown from the premises. Motor vehicles, equipment, pipe, large oil field equipment, and supplies shall be stored in an orderly fashion.

2.7 At all times during operations, the Town shall have the right to test and inspect, or to require testing and inspection of material and work at Applicant's expense. All improvements to the property will be privately owned improvements and no dedication of improvements shall be made to the Town of Kersey.

2.8 Upon termination of this Agreement, the Applicant shall remove all structures, supplies, and equipment from the premises, except that if a security fence is constructed, the Applicant may request that the Town authorize the fence as a permanent improvement to the property.

3. **Indemnification and Release of Liability.** Applicant agrees to indemnify and hold harmless the Town, and its Trustees officers, employees, agents and servants and to pay any judgments rendered against the Town and its Trustees, officers, employees, agents and servants because of any suit, action or claim caused by, arising from or due to design or construction of the improvements, or due to acts or omissions of the Applicant, its officers, employees, agents, consultants, contractors, subcontractors and to pay to the Town and said persons their reasonable expenses including, but not limited to, reasonable attorney fees and reasonable expert witness fees, incurred in defending any such suit, action or claim; provided, however, that Applicant's obligation herein shall not apply to the extent said suit, action or claim results from any intentional wrongdoing by Trustees, officers, employees, agents or servants of the Town. Applicant acknowledges that the Town's review and acceptance of plans for the use of the property is done in furtherance of the general public's health, safety and welfare and that no

immunity is waived and that no specific relationship with, or duty of care to, the Applicant or third party is assumed by such review or acceptance. All contractors and other employees engaged in the use of the property shall maintain adequate workers' compensation insurance and public liability insurance consistent with the Colorado Governmental Immunity Act. Applicant shall, at all times, comply with the laws and regulations of the State of Colorado and the United States governing occupational health and safety.

3.1 The Applicant shall indemnify and hold harmless the Town for any liability the latter may have on account of any change in the nature, direction, quantity, or quality of historical drainage flow resulting from the development of this subdivision or from the construction of streets or storm sewers therein. In addition, the Applicant promises to reimburse the Town for any and all costs including, but not limited to, reasonable attorney's fees.

4. **Governmental Immunity Act.** The Town is relying on, and does not waive or intend to waive by any provision of this Agreement, the monetary limitations or any rights, immunities and protection provided by the Colorado Governmental Immunity Act (C.R.S. 24-10-101, et seq.) as from time to time amended, or otherwise available to the Town, and its Trustees, officers, agents, employees, attorneys, engineers, planners, and insurers.

5. **Holdover Fee:** If the Applicant has not removed all improvements, equipment and other materials stored on the property by January 31, 2020, the Town reserves the right to impose a Holdover Fee up to \$499 per day for each day beyond January 31, 2020. This fee may, in the discretion of the Town Manager be placed in abeyance if the Applicant can demonstrate that they have entered into a contract to purchase the property and submits a site plan review application for permanent improvements associated with the continues operations on the site.

6. **Binding Agreement.** This Agreement shall be binding upon the parties, their heirs, successors, and assigns and shall be deemed a covenant running with the land and shall be enforceable against all subsequent Applicants as well as the original Applicant.

7. **No Third Party Beneficiary.** None of the terms, conditions or covenants of this Agreement shall give or allow any claim, benefit or right of action to any third person not a party hereto.

8. **Notice.** Any notice required or permitted under this Agreement, will be deemed to be received when delivered personally in writing or five (5) days after notice has been deposited with the U.S. Postal Service, postage prepaid, certified return receipt requested and addressed as follows:

If to Applicant: Jomax Construction Company, Inc.

Great Bend, Kansas 67530

If to Town: Town of Kersey
332 Third Street
P.O. Box 657
Kersey, CO 80644

Either party may change the address to which notice is to be sent by providing notice as set forth in this section.

10. **Entire Agreement.** This Agreement contains the entire agreement of the parties. The Agreement may be modified by written agreement of the parties. The ordinances of the Town of Kersey applicable to Construction Standards, Land Use Codes, and Building Codes are a part of this Agreement in that the terms of this Agreement are required to be carried out in accordance with such laws, ordinances, regulations and standards.

11. **Severability.** Should any section, clause, sentence or part of this Agreement be adjudged by a court of competent jurisdiction to be unconstitutional, and or invalid, such adjudication shall not affect the validity of the Agreement as a whole or any part thereof other than the part so declared to be unconstitutional or invalid. This Agreement shall be construed as though such invalid provision was never part of this Agreement.

12. **Exhibits.** The Exhibits attached to this Agreement are as follows: Exhibit A – Conditions.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective the date and year first above written.

Sec. 1-95. - General penalty for violation.

- (a) Any person violating the following provisions of this Code shall be deemed guilty of a misdemeanor and each such person upon conviction of any violation of this Code, unless otherwise stated, or any secondary codes shall be punished by a fine of not more than \$2,650.00. When a violation of any section of this Code or any part of the adopted codes occurs and continues for more than one day, each day such violation occurs or continues shall constitute a separate offense.
- (b) The following violations shall be punished by a fine of not more than \$499.00:
 - (1) Chapter 7, article IV, "Weeds, Refuse, and Trees."
 - (2) Chapter 7, article V, "Animals."
 - (3) Chapter 7, article VI, "Dogs," excluding section 7-131, "Dangerous Dogs."
 - (4) Chapter 10, section 10-81, "Littering."
 - (5) Chapter 10, section 10-221, "Use and Possession of Tobacco Products by Minors Prohibited."
 - (6) Chapter 10, section 10-222, "Curfew Established."
 - (7) Chapter 11, article II, "Sidewalks."
 - (8) Chapter 16, "Zoning" excluding articles XVII, "Oil and Gas Code" and XIX, "Flood Damage Prevention."
- (c) The imposition of a penalty does not prevent the revocation or suspension of a license, permit or franchise or any other administrative sanctions authorized by law.
- (d) In addition to the penalties hereinabove provided, any condition caused or permitted to exist in violation of any of the provisions of this Code or any such ordinance, resolution, rule, regulation or order shall be deemed a public nuisance and may be abated by the town through injunctive or other equitable relief and by such other means as provided by law. The imposition of a penalty does not prevent equitable relief.

(Code 1994, § 1-72; Ord. No. 195, § 1, 1993; Ord. No. 2014-O03, § 1, 10-14-2014; Ord. No. 2015-O01, § 1, 1-13-2015)

Sec. 16-27. - Enforcement.

- (a) *Building inspector to enforce chapter.* It shall be the duty of the building inspector to enforce the provisions of this chapter and to enforce such rules, regulations and decisions as shall be adopted by the board of adjustment.
- (b) *Plats and permits.* No building shall be erected before a building permit is issued, nor shall a building be erected until plans for the proposed building have been presented to and approved by the planning commission. If all codes and regulations are met, plans for structural alterations may be submitted to and approved by the town manager or town clerk and building inspector. All applications for building permits shall be accompanied by a plat, in triplicate, drawn to scale, showing the dimensions of the lot to be built upon, and the size and location of the building to be erected and such other information as may be necessary to provide for the enforcement of the chapter. A careful record of such application and plat shall be kept in the office of the planning commission.
- (c) *Certificate of occupancy.* No land or building shall hereafter be changed in use, nor shall any building hereafter erected or structurally altered be occupied or used until a certificate of occupancy shall have been issued by the building inspector. A certificate of occupancy for a new building or alteration of an existing building shall be applied for with the application for a building permit and shall be issued within five days after the erection or alteration of such building shall have been completed in conformity with the provisions of this chapter. A certificate of occupancy for the use of a vacant land plot shall be applied for before any such land shall be occupied or used and such certificate shall be issued within five days after the application has been made, provided that such use conforms with the regulations of this chapter. A record of all certificates shall be kept on file in the office of the building inspector and copies shall be furnished, on request, to such persons having a proprietary or tenancy interest in the building or land affected. No fee shall be charged for a certificate of occupancy.
- (d) *Violation and penalty.* Any person who violates or refuses to comply with any provisions of this chapter shall be, upon conviction, punished in accordance with section 1-95. It shall be the duty of the building inspector to enforce the provisions of this chapter and to bring to the attention of the proper enforcement officers of the town any violations thereof, and when required for the proper enforcement of this chapter, it shall be the duty of the building inspector to make and file with the chief of police a written complaint against any such violator.

Operations Managers' Report for Streets, Fleet and Parks for September & October of 2019

Streets-

Hill St and 1st had thermals installed, they did not last very long and by the time you have this report the patch job may not have lasted either, there is a long term solution we are looking into as far as pricing and will keep you aware.

Signage was installed on the Kramer Wall and temporary traffic control devices were removed, some more signs will go up over the next few weeks that will help some minor issues like parking on the pavement and a few more obstacle signs installed on the barriers etc.

First snow storm was a doozy!, we went out and just put some sand down in spots that were slick, snow equipment has been getting equipped and maintained and ready to go for the season.

Working on getting a sweeper here to do leaves, just finding the right price or maybe even a demo if we get lucky!

Fleet-

Kubota Tractor is still down, currently being worked on so we are told.

Sold the crack sealer, the charger is listed for sale, and will be listing or they have been listed more items in the fleet to sell off.

Parks-

We planted along with the Tree Board and PDC Energy 12 trees this last month, 10 at the new park in Centennial and 2 replacements at Kohler. The town is currently watering them since irrigation is now off or not yet existent.

We do have an RFP out for landscaping services, every two years we go back out for bid to get best price for the upcoming year, 2020 in this case. We will have a pre-bid meeting the 23rd of October with the bids being due back by end of the month. Hopefully we will bring you a winning bidder to approve before end of the year so they are ready to go.

Thanks!

Kersey Recreation Board Report

October 2019

Fall is officially here...the leaves are turning colors...and I am loving the cooler weather!

We have contacted and confirmed installation with Trevor Aleman for irrigation; his schedule has been backed up, but should be getting that installed within the next week or two. Since the fall timeline is shortening up, Josh and I have chosen to hold off on soil amendments and turf installation until the Spring of 2020; we believe this will allow us the best option of getting premium turf installed in a better season.

Winter Basketball registrations are off to a good start; I'm working on getting team rosters filled and coaches confirmed for practices to start mid-November. Since the Kersey Community Church building progress is still underway this winter, we do lose the option of using their gymnasium; so, it makes squeezing all our teams in the school gyms a little tighter, but not impossible.

We have two out of town events coming up in the next couple of months: October 19th we are renting a fire-pit at Fritzler's Corn Maze for s'mores and then enjoying the maze activities; then on November 9th many families will be attending the UNC Bears Football game where kids will get to participate in pre-game activities, take part in the fan tunnel for the players and have a special recognition during the game.

Kersey Holiday Festival planning is still on-going; we have a schedule put together and will be getting flyers out in the community this week. The date again is Saturday December 7th, and we would love to have all members of the Town Board at the event in support! Information will go out this week about the parade and chili-cook-off applications as well. Right now we have about 10 different sponsors for the event providing either monetary, service or equipment donations in order to make this event work!

Saturday December 14th, just a week later, we will be showing 'The Grinch (2018)' at the Platte Valley Middle School Fieldhouse for our 'Holiday Family Movie'. I'm hoping to assign a school group to sell concession during the movie as well; last year we did this event and had about 50 people attend.

After the first of the year I'm working on a couple other events; one to be the Nuggets Skills Challenge. Last year we held this event at the high school and had about 20 participants; this year I'm looking at scheduling the first Saturday in January and hoping to double our participation numbers.

Along the lines of events for early next year, Jessica and I started talking about some ideas for the week of spring break; which is March 9th-13th. We had an idea of putting on a week-long group of events for each day that week. Some of our initial ideas were a swim day, game night and a dinner and a movie night. Over the next couple of months we'll begin to put these thoughts together and formulate a better plan; I'm hoping we can start to create an annual 'Spring Break' calendar with events for the whole family!

As we near the completion date of the Kersey Community Center, both Jessica and I have talked with Christian about plans for programs and operations once the building is open. Jessica has started to plan events and activities for both older and active adults in our community for the first few months of next year; right now she's in the stages of searching out instructors for fitness groups and a few other things. It's been exciting to sit with her and talk over ideas, schedules and activities we can include; however, there is still a lot of work to be done. A couple of our main priorities, along with scheduling, will be creating some policies for the building usage, rental information, registration processes, building usage agreements and many other documents needed for programming. This is a very fun and exciting endeavor, but we have our hands full in preparation.

Finally, Christian and I sat down with a couple gentlemen familiar with special district compilations and came up with sort of a game plan to re-start our structure of a recreation district in the community. Christian will be bringing some information to you in order to approve the process of moving forward with this formation.

As always, if anyone has questions, comments or concerns, please see me directly!

Sincerely,

James Neill

OCTOBER 2019 OLDER ADULTS

BOARD REPORT

UPDATE ON JESSICA'S JOURNEY

Happy October to you! This is always my favorite season in Colorado, and overall. Fall to me symbolizes the beauty that comes in change, and how fitting for the season the Town of Kersey is in; lots of big changes coming and lots of beauty in each one. This month has been even busier than the last for myself. But with the busyness, has come a lot of growth and far too many blessings for this new building. God has truly placed his hand in this building completion. We have had the ability to walk through the building just about each week, and be involved in just about every decision which I am thankful for. The rooms are big, spacious and I'm definitely looking forward to all the good times that will be shared in each space.

I know I've said it before, but I'll continually say it again; I can't believe this is MY job!

UPDATE ON THE OLDER ADULTS

This month has been a busy one for our seniors as well. They began their clean-up process at the current building, and lots of raw emotions are being brought up with each and every one of them. Change can be hard for anyone, and in particular older adults. The history of our current building is important, and meaningful as I continually remind them throughout this process as well as encouraging them of all the new history to be made in the new building. We also visited Hanks Bar & Grill this past month for their outing, and they loved it. Didn't love the far drive, but they loved the food ☺ This month's outing will be at Butter My Biscuit, our favorite. We'd love to have you join us, it will be Wednesday the 23rd at 11:00am! Clean-up and finalizing programming selections has been our biggest focus this month and is a big task for each of them. We do ask for prayer requests for Adella Andrijeski as she underwent surgery to

place a pacemaker a little over 2 weeks ago. She is recovering well at home, but would appreciate all the prayers she can get. Thanks!

This month's report is short and sweet due to you catching me in the process of also applying for a grant. But I hope to have shared enough to get you a good idea of what I'm up to with our amazing group of older adults. And, as always don't hesitate to reach out to me with any questions or concerns!
